DERDRIU MCATEER

Junior Full Stack Web Developer

I am a junior web developer who is eager to contribute my skills, creativity, and passion for coding to a dynamic team, while continuously expanding my knowledge and expertise in web development. I bring a blend of creativity and technical proficiency to any team, offering a fresh perspective and a hunger for learning. My ambition is not just to contribute, but to excel, showcasing my dedication to delivering high-quality solutions and innovative approaches

Projects

- Coffee Simulator - Terminal Application
 - Python

Created a Python script to simulate a coffee machine, demonstrating strong Python skills in object-oriented programming, data structures, and user interaction. This project showcases my ability to design and implement complex systems for practical applications.

- Portfolio Website
 - HTML & CSS

Designed a fully responsive portfolio website which features a responsive and visually appealing layout, effectively presenting my work, skills, and achievements. This project highlights my ability to create user-friendly web interfaces while demonstrating a solid understanding of HTML and CSS for web design and development

- Pixel Art Maker
 - JavaScript, HTML & CSS

Developed a Pixel Art Maker using JavaScript, highlighting my proficiency in front-end web development. The project demonstrates my ability to create interactive and visually engaging web applications, with features such as pixel drawing, color selection, and user-friendly design.

Experience

- Chemist Warehouse

- Inventory Manager, Ireland
 - June 2020 - June 2023
 - Managed import/export operations globally
 - Responsible for supervising the handling of incoming invoices as well as the processing of outgoing purchase orders.
 - Implemented efficient ordering, invoicing, and dispensary protocols
 - Contributed significantly to the establishment and success of initial Chemist Warehouse stores in Ireland

- Pharmacist Manager, Australia
 - January 2019 - June 2020
 - Managed a large team of pharmacists, interns, and assistants
 - Provided expertise in medication management, counselling patients on medications usage, potential side effects, and interactions. Collaborated with healthcare professionals to optimise patient care and outcomes.
 - Ensured store compliance with pharmacy laws and regulations
 - Consistently exceeded KPIs, demonstrating exceptional performance
